Canberra, ACT

PROFILE

Year 12 student and aspiring software engineer with hands-on experience building, deploying and maintaining full-stack applications, integrating APIs and AI features, and contributing to WiseTech Global's public WTG.Analyzers repository. Completed CS50 and demonstrated strong problem-solving through national cybersecurity, mathematics and computational competitions, alongside leadership and teamwork skills. Visited WiseTech HQ in early 2026 for a personal tour with Zoe and Neuron from the Earn & Learn team.

TECHNICAL SKILLS

Python • Full-stack web development • REST APIs • Git & GitHub • AI integration • Web deployment • Collaborative development

SOFTWARE PROJECTS & TECHNICAL EXPERIENCE

Open-Source Contributor — WiseTech Global — WTG.Analyzers 2026~
• Contributed to WiseTech Global's public WTG.Analyzers GitHub repository, gaining experience navigating an established codebase and contributing within an open-source development workflow.

AI Meal Planner — Personal Project 2026~
• Built and deployed a full-stack AI meal planning web application in Python with user authentication, persistent accounts, saved content and multiple subscription levels.

Interhouse Sports Competition Website — Official School Project 2026~
• Collaboratively co-founded and built a full-stack system for the school's interhouse sports competition; deployed it to a Raspberry Pi and continue to operate and maintain the live service.

Weather App & Portfolio Website — Personal Projects 2026~
• Built a weather application using the OpenWeather API to present forecast data clearly and generate useful context-based insights; also built and published a personal portfolio showcasing projects and achievements.

EDUCATION & EXPERIENCE

Year 12 — Trinity Christian School, ACT 2026
• Subjects: Specialist Mathematics, Mathematical Methods, Chemistry, Physics and English.

CS50: Introduction to Computer Science — Harvard University 2026
• Completed Harvard's CS50 course, covering algorithms, data structures, C, Python, SQL, web development and fundamental computer science concepts.

Work Experience — CSIRO 2025
• Assisted with a real scientific experiment involving bees, gaining practical exposure to scientific method, data collection and a professional research environment.

ANU Computation and Logic Summer School — sponsored by Google, Jane Street and ADF. 2026
• Studied with undergraduate and postgraduate students at ANU while expanding my knowledge of computer logic and algorithms.

ANU 24-Hour Hackathon — ANU 2025
• Competed and collaborated with university students in a 24-hour hackathon, by creating MVPs.

Virtual Work Experience — Amazon 2025
• Completed an Amazon virtual work experience program focused on understanding professional technology and workplace practices.

COMPETITIONS & ACADEMIC ACHIEVEMENT

- **PECAN+ Cybersecurity Competition:** 2nd place overall nationally in 2026; competed from 2024–2026.
- **Australian Computational and Linguistics Olympiad (OzCLO):** Top 3 at state level and advanced to the national round in 2024.
- **ANU Maths Day Competition:** Placed 6th in the ANU Maths day competition against teams from ACT and NSW.
- **ANU Maths Extension Program:** Selected for the ANU Maths extension program, an extra-curricular advanced Maths class taught by Professors at ANU. Attended from 2024–2026.
- **Academic Awards:** Received 10+ academic achievement awards from school.
- **WiseTech Global Challenges:** Achieved a High Distinction and a Perfect score on the 2 WiseTech Global Challenges in 2026.

LEADERSHIP, SERVICE & SPORT

- **House Captain:** Current student leader; previously served as a Peer Leader in 2023.

- **Co-founder — Careers School Newsletter:** Led a team of 3 that created and ran the school careers newsletter.
- **Duke of Edinburgh's International Award:** Completed Silver in 2026 and currently completing Gold.
- **Zooniverse Volunteer:** Contributed to citizen-science research projects through the world's largest citizen-science platform.
- **State-Level Sport:** Competed at state level in swimming, athletics and cross country, including 4th place in swimming, and earned numerous school sporting medals; regularly plays soccer and competed in the soccer National Premier League in 2025.
